

Md Sakib Sadman Badhon

Studying Computer Science at BRAC University

+8801533024584 | badhon495@gmail.com | badhon495.github.io | linkedin.com/in/badhon495 | github.com/badhon495

EDUCATION

Bachelor of Science in Computer Science

BRAC University, Dhaka, Bangladesh

CGPA 3.74/4.00

Jan 2022 - Oct 2025

PROJECTS

ParkIt | *Laravel, PostgreSQL*

2025

- Developed a web application for parking space management and booking, featuring user authentication, profile management, and real-time search and booking capabilities.

Easy Docker Installation | *Bash (Shell Script)*

2024

- Automated Docker installation for major Linux distributions (Ubuntu, Debian, CentOS, Fedora), streamlining system setup and reducing manual configuration.

Nirapod | *Spring Boot, React.js, PostgreSQL*

2025

- Built a full-stack emergency response platform with live chat, complaint management, file uploads, real-time location sharing, and role-based access control for users and responders.

Should I Retake? | *pdf.js, Regex*

2025

- Created a web-based tool using JavaScript and Regex to analyze academic grade sheets, allowing users to simulate grade changes and calculate required grades to reach target CGPA.

EXPERIENCE

Open Source Contributor

May 2025 -

OpenTelemetry

Remote

- Localized OpenTelemetry documentation into Bangla, improving accessibility for Bengali-speaking developers.
- Collaborated with global maintainers, submitted pull requests, and followed CI/CD and documentation standards.
- Gained practical experience in open source workflows, technical writing, and internationalization.

Social Media Manager

Sep 2021 - May 2023

ToyGhor

Dhaka, Bangladesh

- Managed social media, customer communication, and order processing for a large retail page.

Content Creator

Jan 2021 - Sep 2021

Xoshlife, Edison Group

Dhaka, Bangladesh

- Wrote tech-based news articles for an online portal.
